

**38th Annual Meeting of the
International Society of Chemical Ecology
(ISCE 2023)**

23-27 July 2023 – Bengaluru, INDIA

**Sponsorship and
Exhibitor Prospectus**

Dear Sponsors,

On behalf of the Organizing Committee, I invite you to join and support the 38th Annual Meeting of the International Society of Chemical Ecology (ISCE 2023), 23- 27 July 2023 in Bangalore, India. This is the first time this Conference is being held in India.

The Conference is on the timely theme of *Chemical Ecology in the Anthropocene*. Given the impacts of climate change on human health, safety, and livelihoods, the effect of anthropogenic climate change on the chemical ecology of species interactions across the kingdoms of life is equally important and less well understood. It is likely that climate change will affect not only viability of organisms but also chemical communication.

Bangalore is the hub for scientific research in India and at the conference there will be hundreds who will be interested in seeing new development in the field. The Conference will provide an opportunity for participants to have face to face interactions which bring about collaboration and cooperation between all parties.

Sponsoring the 38th Annual Meeting of the International Society of Chemical Ecology provides an excellent opportunity to promote your company, support your brand(s) and to maintain a high profile within the field before, during, and after the event. You will have the opportunity to engage in valuable dialogue with participants regarding your products and services. The Conference is also being hosted at the premier scientific institution in India, the Indian Institute of Science, which in itself speaks to its international importance.

We look forward to welcoming you to the conference.

Renee M Borges
Organizing Secretary, ISCE 2023
& Professor, Centre for Ecological Sciences
Indian Institute of Science, Bangalore

How to Sponsor / Exhibit

- Choose a Sponsor Package from those listed below
- Fill up the Sponsor / Exhibitor form
- Pay according to the Payment Method and Schedule described below
- Email the form and your sending bank transfer details to the email addresses given below

Sponsor Packages (rates are inclusive of applicable GST at 18%)
